RE: DRAINAGE PLAN FOR HORIZON NURSING CENTER
(K-15/D50) RECEIVED MAY 19, 1989

Dear Mr. Conley:

The referenced plan dated May 19, 1989, is approved for Grading and Paving Permit release. However, prior to paving of the public alley, you will need approval from the DRC. Also, prior to acceptance of the parking lot paving, the alley will need to be completed.

A separate permit for construction within the City's right of way will be required. The contractor will need a copy of this approval letter when applying for an excavation permit to construct the sidewalk culvert at Grand Avenue.

Should you need further assistance concerning this project, please call me at 768-2650.

Cordially,

Carlos A. Montoya, P.E.
City/County Floodplain Administrator
