Dear Mr. Burak:

PO Box 1293

Based upon the information provided in your submittal received 05/01/18, the Grading and Drainage Plan **is not** approved for Building Permit. The following comments need to be addressed for approval of the above referenced project:

Albuquerque

1. Per the DPM Chapter 22 Section 7, 24"x36" is currently the City's standard. This applies to all site plans, Grading & Drainage Plans, Traffic Circulation Plans, DRC Plans etc. Please always submit this size plan and not 11x17. 11x17 is too small for review purposes.
