Request 30-Day Temporary C.O. - Accepted
Engineer's Stamp dated: 12-13-16 (K17D021)
Certification dated: N/A**

Dear Mr. Mulbery,

Per Shahab Biazar, Hydrology has no objection to the issuance of a 30-day Temporary Certification of Occupancy. This letter serves as a "green tag" from Hydrology for a 30-day Temporary Certificate of Occupancy to be issued by the Building and Safety Division.

Prior to the issuance of a permanent Certificate of Occupancy, the Hydrology Department must receive a complete acceptable submittal package from the applicant. An inspection of the site must be conducted by the City of Albuquerque Hydrology Department with all site improvements in compliance with all City of Albuquerque Standards.

If you have any questions, you can contact me at 924-3686 or Totten Elliott at 924-3982.

Sincerely,

Shahab Biazar, P.E.
