RE: Highland High School Bus Bay Improvements
4700 Coal Ave SE
Grading and Drainage Plan
Engineers Stamp Date 2/11/16 (K17D021E)

Dear Mr. Mortensen,

PO Box 1293

Based upon the information provided in your submittal received 3/8/16, this plan is approved for Building Permit. Please attach a copy of this approved plan to the construction sets in the permitting process prior to sign-off by Hydrology.

Albuquerque

Prior to Certificate of Occupancy release, Engineer Certification per the DPM checklist will be required.

New Mexico 87103

If you have any questions, please contact me at 924-3986 or Rudy Rael at 924-3977.

Requests for approvals of Site Development Plans and/or Subdivision Plats shall be accompanied by a drainage submittal. The particular nature, location, and scope to the proposed development defines the degree of drainage detail. One or more of the following levels of submittal may be required based on the following

- 1. Conceptual Grading and Drainage Plan: Required for approval of Site Development Plans greater than five (5) acres and Sector Plans
- 2. Drainage Plans: Required for building permits, grading permits, paving permits and site plans less than five (5) acres
- 3. Drainage Report: Required for subdivision containing more than ten (10) lots or constituting five (5) acres or more
- 4. Erosion and Sediment Control Plan: Required for any new development and redevelopment site with 1-acre or more of land disturbing area, including project less than 1-acre than are part of a larger common plan of development

RE: Highland High School Bus bay Improvements
4700 Coal Ave SE
Grading and Drainage Plan
Engineers Stamp Date 12/21/15 (K17D021E)

Dear Mr. Mortensen,

Based upon the information provided in your submittal received 12/22/15, this plan is approved for Grading Permit, Building Permit and Paving Permit.

PO Box 1293

Please have the owner/contractor attach a copy of this approved plan dated 12/21/15 to the construction sets in the permitting process prior to sign-off by Hydrology. If this plan is not in the construction sets at permitting the project will be rejected.

Albuquerque

Once the project is complete, provide our department with a copy of the as-build survey for our records.

New Mexico 87103

If you have any questions, please contact me at 924-3986 or Rudy Rael at 924-3977.

Requests for approvals of Site Development Plans and/or Subdivision Plats shall be accompanied by a drainage submittal. The particular nature, location, and scope to the proposed development defines the degree of drainage detail. One or more of the following levels of submittal may be required based on the followin

- 1. Conceptual Grading and Drainage Plan: Required for approval of Site Development Plans greater than five (5) acres and Sector Plans
- 2. Drainage Plans: Required for building permits, grading permits, paving permits and site plans less than five (5) acres
- 3. Drainage Report: Required for subdivision containing more than ten (10) lots or constituting five (5) acres or more
- 4. Erosion and Sediment Control Plan: Required for any new development and redevelopment site with 1-acre or more of land disturbing area, including project less than 1-acre than are part of a larger common plan of development
