Request for Certificate of Occupancy
Transportation Development Final Inspection
Engineer's/Architect's Stamp dated 01-26-2018 (K17D047)
Certification dated 11-01-18

Dear Ms. Hogeland,

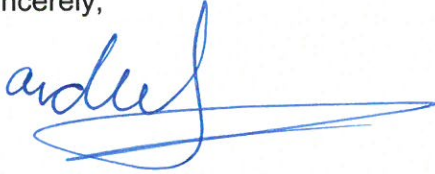

Based upon the information provided in your submittal received 11-09-18 Transportation Development cannot approve the release of Certificate of Occupancy for the above referenced project.

Prior to the issuance of a permanent Certificate of Occupancy, the following items must be addressed:

- The ADA marking on a Parking space which is not ADA should be removed.
- The motor cycle space should not have striping. Please remove the striping from the motor cycle space.
- This comment is not something to be addressed. Just note that on TCL, the name of the streets have been exchanged. The lead should be cole and vice versa. (we are fine with that, just for your own info for the future)

Once corrections are complete resubmit acceptable package along with a completed Drainage Transportation Information Sheet to front counter personnel for log in and evaluation by Transportation. For digital submittal please submit to PLNDRS@cabq.gov. If you have any questions, please contact me at (505) 924-3675

Sincerely,
