Re: Bob's Burgers
305 Eubank Blvd. NE

To whom it may concern:

I hereby certify that I am the owner of the residence located at 300 Glorieta St, NE Albuquerque NM 87123. I have met with the Architect who is working with the Owner's of Bob's Burgers located behind our property at 305 Eubank. The architect has informed me of the work that is proposed to be done at that property. The Architect has made me aware of all the changes proposed to the alley entry immediately adjacent to our back property line to include updating the Handicapped Accessible Ramps and accessibility across the alley. The architect has informed me that no work shall be done inside our property lines and all work will remain within the City of Albuquerque Right-of-Way.

After consideration, I hereby certify that all the improvements discussed are acceptable to me and I do not raise any objections to the work being proposed within the COA Right-of-Way (adjacent to our property).

Sincerely,
