Re: Fire Station No. 2, Grading and Drainage Plan
Engineer's Stamp dated 1-3-12 (L15/D060)

Dear Mr. Provine,

Based upon the information provided in your submittal received 1-3-12, the above referenced plan is approved for Building Permit. Please attach a copy of this approved plan to the construction sets prior to sign-off by Hydrology.

Since one acre or more is being disturbed, this project requires a National Pollutant Discharge Elimination System (NPDES) permit for storm water discharge and a Topsoil Disturbance Permit.

Prior to Certificate of Occupancy release, Engineer Certification per the DPM checklist will be required.

If you have any questions, you can contact me at 924-3986.

Sincerely,

Curtis Cherne, P.E.
Principal Engineer, Planning Dept.
Development and Building Services
