RE: Office Complex Bell & Zuni
at 428 Louisiana S.E.
Variance Request

It is requested that a drainage variance be granted as follows; that the standing water pond to the north be eliminated and that the center be the only pond required. The entire lot would slope to the center proposed pond, and to the street.

APPROVED FOR DRAINAGE
4-6-81
SUBJECT TO ADVICE FROM INSPECTOR
WHEN GRADING IS EXECUTED

This would solve all zoning problems. It is believed & requested that this would be in the best interest of the community & we pray that an early approval to this solution be granted.
