John

This email is being sent in lieu of an attached comment letter in order to expedite the response for initial reviews. Responses to comments should continue to be included in the re-submittal. A reply to this email with responses to comments will not be considered a re-submittal.

Based upon the information provided in your submittal received 12-22-2016, the above referenced plan cannot be approved for CO PERM until the following comments are addressed:

- No site access. Construction fences are completely surrounding site. Unable to do a complete site inspection.
- The sidewalk culverts were under construction
- Line item #31 seems to be incomplete
- Unable to locate note #18 on drawing

If you have any question please do not hesitate to contact me.
