Dear Mr. Brown,

Upon the final review of the referenced Traffic Impact Study (TIS) the City is accepting the TIS for the proposed Murphy Express at 10415 Central Ave. NE.

PO Box 1293     The TIS prepared for the proposed Murphy Express at 10415 Central Ave. NE shows the development will have insignificant adverse impact to the adjacent transportation system. Therefore, no mitigation measures are proposed as part of this project.

Albuquerque     If you have any questions, please contact me at (505) 924-3362.

Sincerely,

NM 87103
