Erosion & Sediment Control Plan for Building Permit

Dear Mr. Soule,

Based upon the information provided in your submittal received 10/31/2013, the above referenced **Erosion and Sediment Control (ESC) Plan is approved for Building Permit.**

Pending City Council approval of the revised Drainage Ordinance, we are currently not requiring the City issued ESC Permits. The Contractor and Owner do still need to complete the eNOI (Notice Of Intent) through the EPA website, prior to construction.

If you have any questions, please contact me at grolson@cabq.gov or phone 924-3994.

Sincerely,

 10/31/13

Gregory R. Olson, P.E.
Senior Engineer
