Dear Mr. Lang,

Based upon the information provided in your submittal received on 9/04/13, the above referenced Drainage Plan is approved for Building Permit.

Please attach a copy of this approved plan to the Building Permit, construction sets prior to requesting sign-off by Hydrology.

Prior to Certificate of Occupancy release, an Engineer's Certification of the **As-Built Grading and Drainage Plan** will be required, per the DPM checklist.

The Hydrology Section is requesting that consultants submit a digital copy of the signed grading and drainage plans submitted and approved for Building Permit for our records.
Please email a ".pdf" copy of the approved, signed plan to me for filing.

If you have any questions, please contact me at grolson@cabq.gov or phone 505-924-3994.

Sincerely,

Gregory R. Olson, P.E.
