**Re: Kraemer Fields – 2812 Karsten Ct. SE
Erosion and Sediment Control Plan
Engineer's Stamp Date 6/10/2021 (M14E012A)**

Dear Ms. Durkin,

Based upon the information provided in your submittal received 6/10/21 the above referenced plan is approved to be included in the SWPPP, the Building Permit plans, and the Work Order plans with the condition Aggregate Mulch be used instead of Hydromulch on the pond and steep slopes or equal per the EPA's Final Stabilization Criteria.

The EPA Notice of Intent (NOI) documentation has been reviewed and signed by the City and is attached, so this project is approved for Grading and Building Permit.

Please remember to include a copy of the approved plan and a signed copy of the NOI in the Building Permit application.

If you have any questions, you can contact me at 924-3420 or jhughes@cabq.gov.

Sincerely,

James D. Hughes

James D. Hughes, P.E.
