Margaret - access management plan for 2nd st.

2nd st is city's?

2 parcels south is BRACO

— breaking it apart - - longer with specialty contract

scope it based on 5 per trip/hr

strongly encourage to do a TIS - from neighborhood

— implement year - early 25 early 2026 finish 2026 - growth rate 5%

use ITE trip manual and use counts from a local facility

Does Paul-Lin compliance (cumulative) it. By that will trigger
a study.
