**Re: MDS International School
Erosion and Sediment Control Plan
Engineer's Stamp Date 1/13/2021 (R16E099)**

Dear Mr. Wooten,

The referenced plan is approved to be included in the SWPPP and Building Permit.

The project is approved for Grading Permit; however, the project will not be approved for Building Permit until the stabilization specifications are submitted and approved.

The NOI is also acceptable but will not be signed to be included in the Building Permit plans until the stabilization specifications are received and approved.

Please remember to include a copy of the approved plan and a signed copy of the NOI in the Building Permit application.

If you have any questions, you can contact me at 924-3420 or jhughes@cabq.gov.

Sincerely,

James D. Hughes

James D. Hughes, P.E.
